

# Sigita Žaromskienė

Front End Developer

## About Me

I'm a friendly and dependable person who cares a lot about animals and sports. I'm always excited to learn new things, especially when it comes to taking on new challenges. I really want to be part of a high-achieving team where I can use my different skills and dedication to reach big goals. I'm passionate about creating awesome web experiences and turning ideas into reality with code.

## Education

2010-2014  
Mykolas Romeris University  
Law and Management

2023  
Baltic Institute of Technology  
Front-End Development
